

INSTRUCTIONS FOR ACCESS TO RevolutionPHR Personal and Confidential

Overview

Elliott Eye Doctors & The Optical Shoppe is pleased to offer you convenient, secure access to information from your eye care record through an online portal called **RevolutionPHR**. The acronym PHR stands for “**Personal Health Record**” and represents an online location where you and only you can view important information about your relationship with us.

RevolutionPHR utilizes the highest standards of online security while allowing you to view portions of your eye care record through any standard Internet browser on a PC or Mac computer or an iPad. We encourage you to use the Login information created specifically for you to review the many features available.

You can decide if access to **RevolutionPHR** is right for you, and participation is completely optional. We have no record of your access and we allow you to use this online portal at your discretion. You can fill out some forms online prior to your examination, edit your demographic information and even message the doctors via a secure messaging!

Steps to Access RevolutionPHR

***Note: to access the patient portal, you must provide the office with an email account and be given a temporary password over the phone or in office for your initial login**

1. Access the Internet through your preferred Internet browser on any PC or Mac computer or tablet
2. In the Internet address bar type this address: <https://www.revolutionphr.com>
3. Insert your Username: **Your Email** or Lastname.FirstnameYearofBirth
4. Insert the Temporary Password is **password**
5. This process will lead to a Reset Password screen where you will be prompted to re-enter the Temporary Password and then log your personal Password that must be at least 6 characters long, including at least one number and one capital letter.

We genuinely hope that you find value in having access to this information in a timely and secure environment. As always, we encourage patients to call us directly with any additional questions.

Sincerely,

Dr. Paul Elliott, O.D., J.D. and Dr. Makenzie Elliott, O.D.
